

Sometimes

Okami Hitotoki

Sometimes I turn away,
running from the light,
in the dark I stay.

Sometimes I don't try,
emotions get the best of me,
the reasons that I die.

Sometimes I want to cry,
feel human again,
but my eyes never dry.

Sometimes I try to sleep,
but every time someone wakes me up,
then my soul remains deep.

Sometimes I get torn,
by the tragedies I follow,
to life we shall mourn.

Sometimes I gaze though you,
and into the grave,
the abyss of dark blue.

Sometimes I leave,
to return to my casket,
before nighttime's eve.

Sometimes I dream,
of the things I want to forget,
but my soul shall not redeem.

Sometimes I write stupid things,
that make no sense,
till you find why it rings. . .
